Dear Brownsville Wellness Coalition (BWC) Friends,

This year's Farm to Table Dinner is the 7th Dinner that BWC has hosted. The 2026 Dinner event will come full circle and will be held at Market Square where it began. Market Square is one of the most historic places in the City of Brownsville and in it's time was the hub of the city housing a farmers' market, and fire station.

It was the place to stroll on Sundays, meet friends and neighbours, and grocery shop for the family.

This year the Brownsville Farmers' Market will be moving to the Cannery in the Mitte Cultural District. The Cannery is another very historic place and is being renovated into a modern food hub. Restoration of the Cannery building has been carefully and thoughtfully done partnering BWC and the Brownsville Farmers' Market with the Food Bank. Cooking demonstrations by the Happy Kitchen and Commercial kitchen spaces for emerging food entrepreneurs will complete the hub of nutrition, education, and economic opportunities.

The Brownsville Wellness Coalition needs your help to continue producing the Farmers' Market, to continue introducing families to gardening, to continue providing produce to sell at the Farmer's Market, and to continue teaching how to prepare produce/herbs/fruit. Together, these programs improve health and reduce food insecurity across the area.

We invite you to become a sponsor of the 7th Annual Farm to Table Dinner on Thursday, October 15th and allow us to say thank you with a charming and delicious evening at a historic and cultural gem of the city. Sponsorship has various benefits such as event visibility, recognition on our marketing platforms, and VIP experiences. Every sponsorship is wrapped in friendship and our pledge to use your gift to further our mission of community and health for all ages.

With Gratitude,

Dr. Rose Gowen

BWC Board President
